

JOHNSONS

Watch Size Guide

Instructions:

1. Print this document out on an A4 piece of paper ensuring that you do not have 'Page scaling' or 'Fit' Or 'Shrink Oversized Pages' ticked.
2. Compare the Johnsons bracelet Size Guide with a ruler to double-check the scale is correct.
3. If the ruler and bracelet size guide line up, cut out the guide around the border.
4. Carefully cut a small line indicated by the scissors and dashed line below to the 10mm end of the scale.
5. Place the size guide around your wrist with the scale pointing towards you, and pull the pointed end through the slit.
6. Make sure the hole is big enough to put your complete hand through.
7. Once the size guide is around your wrist, pull the pointed end to your desired comfort and take the measurement, this is your watch bracelet size.
